## AGRICULTURE UNIVERSITY, KOTA: AT A GLANCE

This university was the part of multi faculty Mohan Lal Sukhadia University, Udaipur till creation of Rajasthan Agricultural University, Bikaner in 1987. Later, it became part of MPUAT, Udaipur on 1<sup>st</sup> November, 1999 with the bifurcation of RAU, Bikaner. Agriculture University, Kota came into existence on **14<sup>th</sup> September, 2013** on bifurcation of the Swami Keshwanand Rajasthan Agricultural University, Bikaner and Maharana Pratap University of Agriculture and Technology, Udaipur. AU, Kota was created to put focus on agricultural problems of eastern and south eastern region of Rajasthan. Since the jurisdiction area of this University was far away from its parent universities headquarter at Bikaner and Udaipur, therefore, there was lack of attention on infrastructure development in Kota region. But the University is bestowed with rich natural resources and has great potential for agricultural development and resources generation.

### UNIVERSITY SERVICE AREA

The jurisdiction of Agriculture University, Kota is spread over six districts of Eastern and South-Eastern Rajasthan namely Kota, Baran, Jhalawar, Bundi, Sawai Madhopur and Karauli. There are two agro-climatic zones in the university service area *viz.* Humid South Eastern Plain Zone V and Flood Prone Eastern Plain III b. The university service area accounts for 9.98 per cent geographical area, 12.38 per cent of total human population and 11.26 per cent of livestock population of the state. It also covers 31.59 per cent of the forest area of the state. Moreover, 9.51 per cent of net sown and 20.60 per cent irrigated area of the state falls under AU, Kota service area.

### VISION

Attaining new heights in agricultural education, research and extension, shaping university into a premier institution for creation of agricultural wealth ensuring food and nutritional security, agriculturally prosperous Rajasthan & India.

### MISSION

The mission of Agriculture University, Kota is to foster excellence in teaching, research and extension education for subjects of agriculture and allied sciences and there by develop competent and skilled human resource and innovative technologies and disseminations of the knowledge to serve the farming community with the motto of making Rajasthan & India agriculturally prosperous.

## MANDATES

- Develop professionally competent human resources through different academic programmes in Agriculture, Horticulture, Forestry and allied fields.
- Conduct basic and need based region-specific applied research to develop technologies and crop improvement for sustainable agricultural development.
- Promote technology assessment, refinement and transfer of knowledge through participatory approaches.
